Work in Progress

- “Flip and Flip Back: Two Government Turnovers and the Durability of Energy Transition Support in South Korea” (with Hong Lee)
- “Which Reliability? Elicited Risk Preferences and Sixteen Years of Revealed Behavior” (with Nobuhiko Nakazawa and Minsung Park)
- “Green Walls: Carbon-Footprint Rules, Contract Prices, and the Exclusion of Chinese Solar Modules in South Korea” (with Eun-Seok Lee)
- “Compensated Fuel Price Caps under Energy Shocks: Incidence, Fiscal Exposure, and Exit Design” (with Hong Lee)

Grants, Fellowships, and Awards

- **University of Ulsan RISE Research Grant**, “The Effects of ESG Adoption and Rating Changes on Firm Performance and Sustainability in Ulsan,” Principal Investigator, KRW 15,000,000, 2025.
- **University of Ulsan Research Grant**, “The Effects of Non-Regular Worker Regularization Policy on Changes in Welfare Outcomes,” Principal Investigator, KRW 3,000,000, 2025–2026.
- **University of Ulsan Research Grant**, “The Effects of Income Inequality Aversion and Charitable Giving Preferences on Regional and Individual Economic Behavior,” Principal Investigator, KRW 3,000,000, 2023–2024.
- **Kwanjeong Educational Foundation Fellowship**, Full scholarship for doctoral study.
- **Hyundai Trade Scholarship**, Full scholarship for master’s study.

Teaching Experience

University of Ulsan 2023–Present

Undergraduate: Climate Crisis and Energy Industry; Applied Econometrics; Labor Economics; Statistics for Business and Economics; Economic Data Analysis (Python); Data Economics; Applied Labor Data Analysis; Statistics: Concepts and Practice; Principles of Economics; Labor-Management Relations; Capstone Research Seminar

Graduate: Microeconomics; Applied Economics; Economic Policy

Co-director, AI-Based Financial Statistics and Coding Program for Humanities and Social Science Students (University Innovation Support Program), University of Ulsan 2025

Professional Service and Policy Engagement

- **Referee:** *BMC Public Health*; *Journal of Economic Integration*; *Journal of Population Economics*; *Journal of Technology Finance*.
- Evaluation Committee Member, 2026 Regional Reinvestment Evaluation (Ulsan), Financial Services Commission, 2026.
- Regional employment monitoring team (Ulsan Nam-gu), Preemptive Employment Crisis Response Region program, Ministry of Employment and Labor, 2026.
- Advisory Committee Member, Ulsan Regional Workforce and Training Demand–Supply Survey, 2026.
- Document Screening Evaluator, Research Staff Recruitment, Korea Energy Economics Insti-

tute, 2026.

- Evaluation Committee Member, Korea Hydro & Nuclear Power project conducted by the Nuclear Power Policy Research Division, Korea Energy Economics Institute.
- Contributing Researcher, “Analysis of Renewable Energy Industry Competitiveness and Strategies for Strengthening It,” Renewable Energy Policy Research Division, Korea Energy Economics Institute.
- Member, Sale Price Review Committee, Dong-gu Office, Ulsan, 2025–Present.
- Member, Apartment Management Dispute Mediation Committee, Dong-gu Office, Ulsan, 2025–Present.
- Member, Human Rights Management Committee, Korea Workers’ Compensation and Welfare Service, 2024–Present.

Technical Skills

- **Statistical & Econometric Software:** Stata, Python, R
- **Spatial Analysis:** ArcGIS
- **Typesetting:** L^AT_EX
